AUDITORIUM SEATING

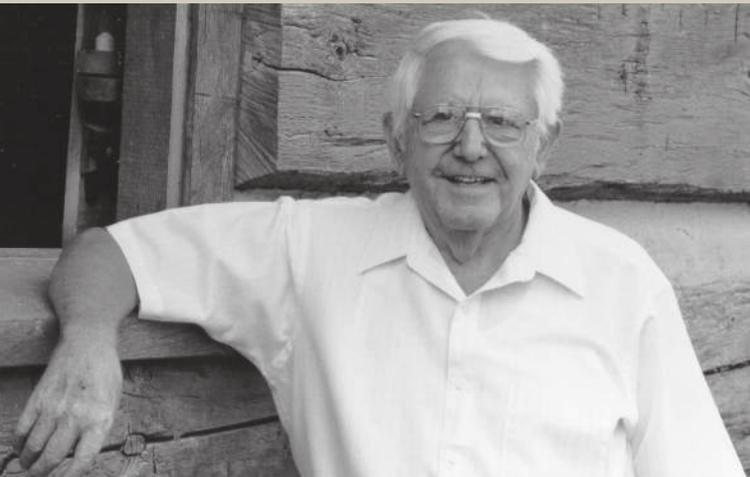

furniture for the way you worship

AUDITORIUM SEATING

Quality and craftsmanship form the cornerstone of everything we do at Sauder Worship Seating®.

Established over 85 years ago by carpenter Erie Sauder, who found his calling building quality, solid wood furniture. Mr. Sauder's first church furniture project, dating back to 1934, is still an integral part of the worship services of Bethlehem Lutheran Church today.

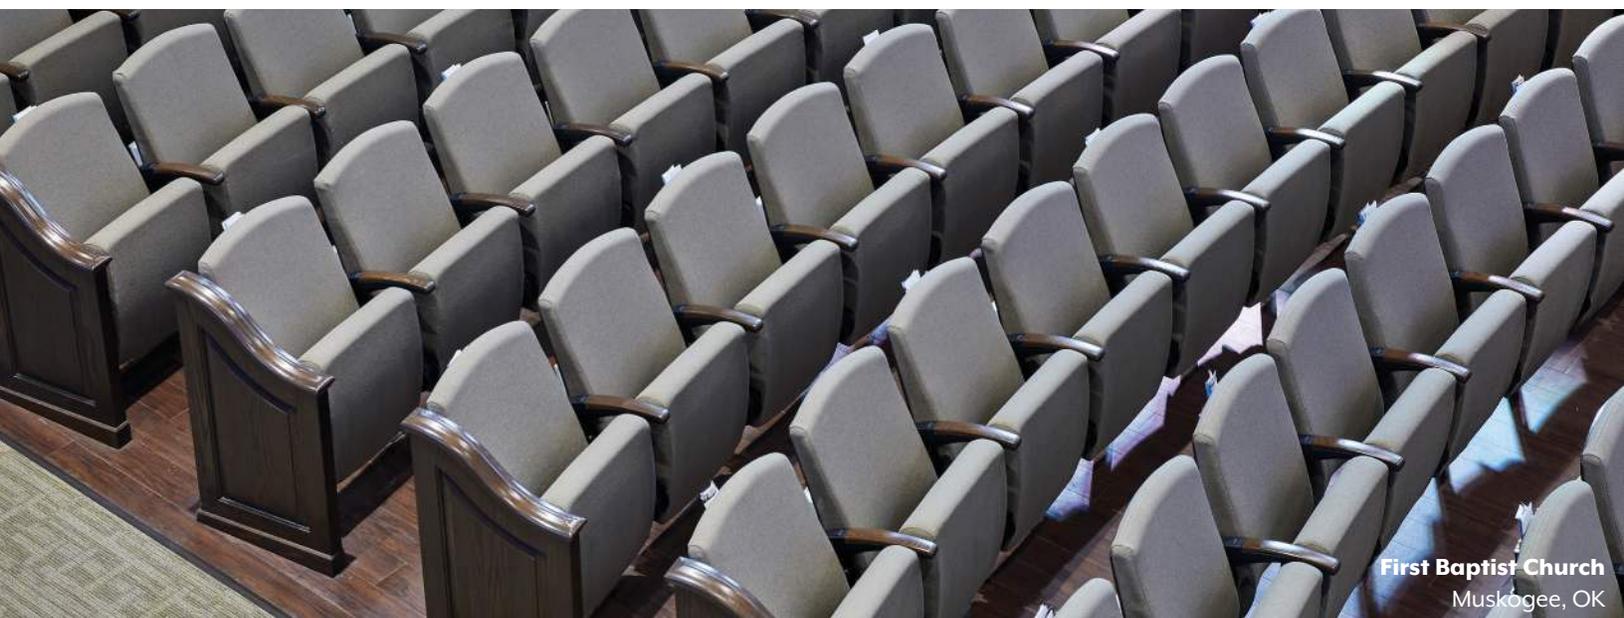

Staying at the forefront of changing church trends, in 1971 Sauder Worship Seating pioneered the use of chairs in worship spaces – showcasing new possibilities for flexible seating. Later, in response to many congregations having different seating needs, Sauder Worship Seating designed auditorium seating specifically for the Worship market.

AUDITORIUM SEATING

Every worship space is unique to the community it serves. Sauder Worship Seating® combines the traditions of skilled craftsmanship with innovative technologies to offer the highest levels of personalization. From custom pew ends, to distinctive symbols, or finish and stain color matches, we can help create the perfect worship environment you envision.

The Sauder Worship Seating® Advantage

We take great pride in being a national company with a comprehensive line of wood and upholstered furniture, including church pews, church chairs, auditorium seating, courtroom furniture, platform and altar furniture. We have the ability to be responsive to nearly any custom design.

Quiet Gravity Lift Seat

Decreases replacing moving parts.

Domestic Production

Over 80% of components and 100% of assembly in the USA.

Professional Project Management

Beginning with your sales consultant, to your in-house team of sales assistant, project coordinator, CAD designer, and ending with installation crew; our Sauder Worship Seating team becomes your trusted partner.

Component Renewability

Entire seat cushions and back cushions are replaceable, if damaged or for interior updates.

Ergonomic Comfort

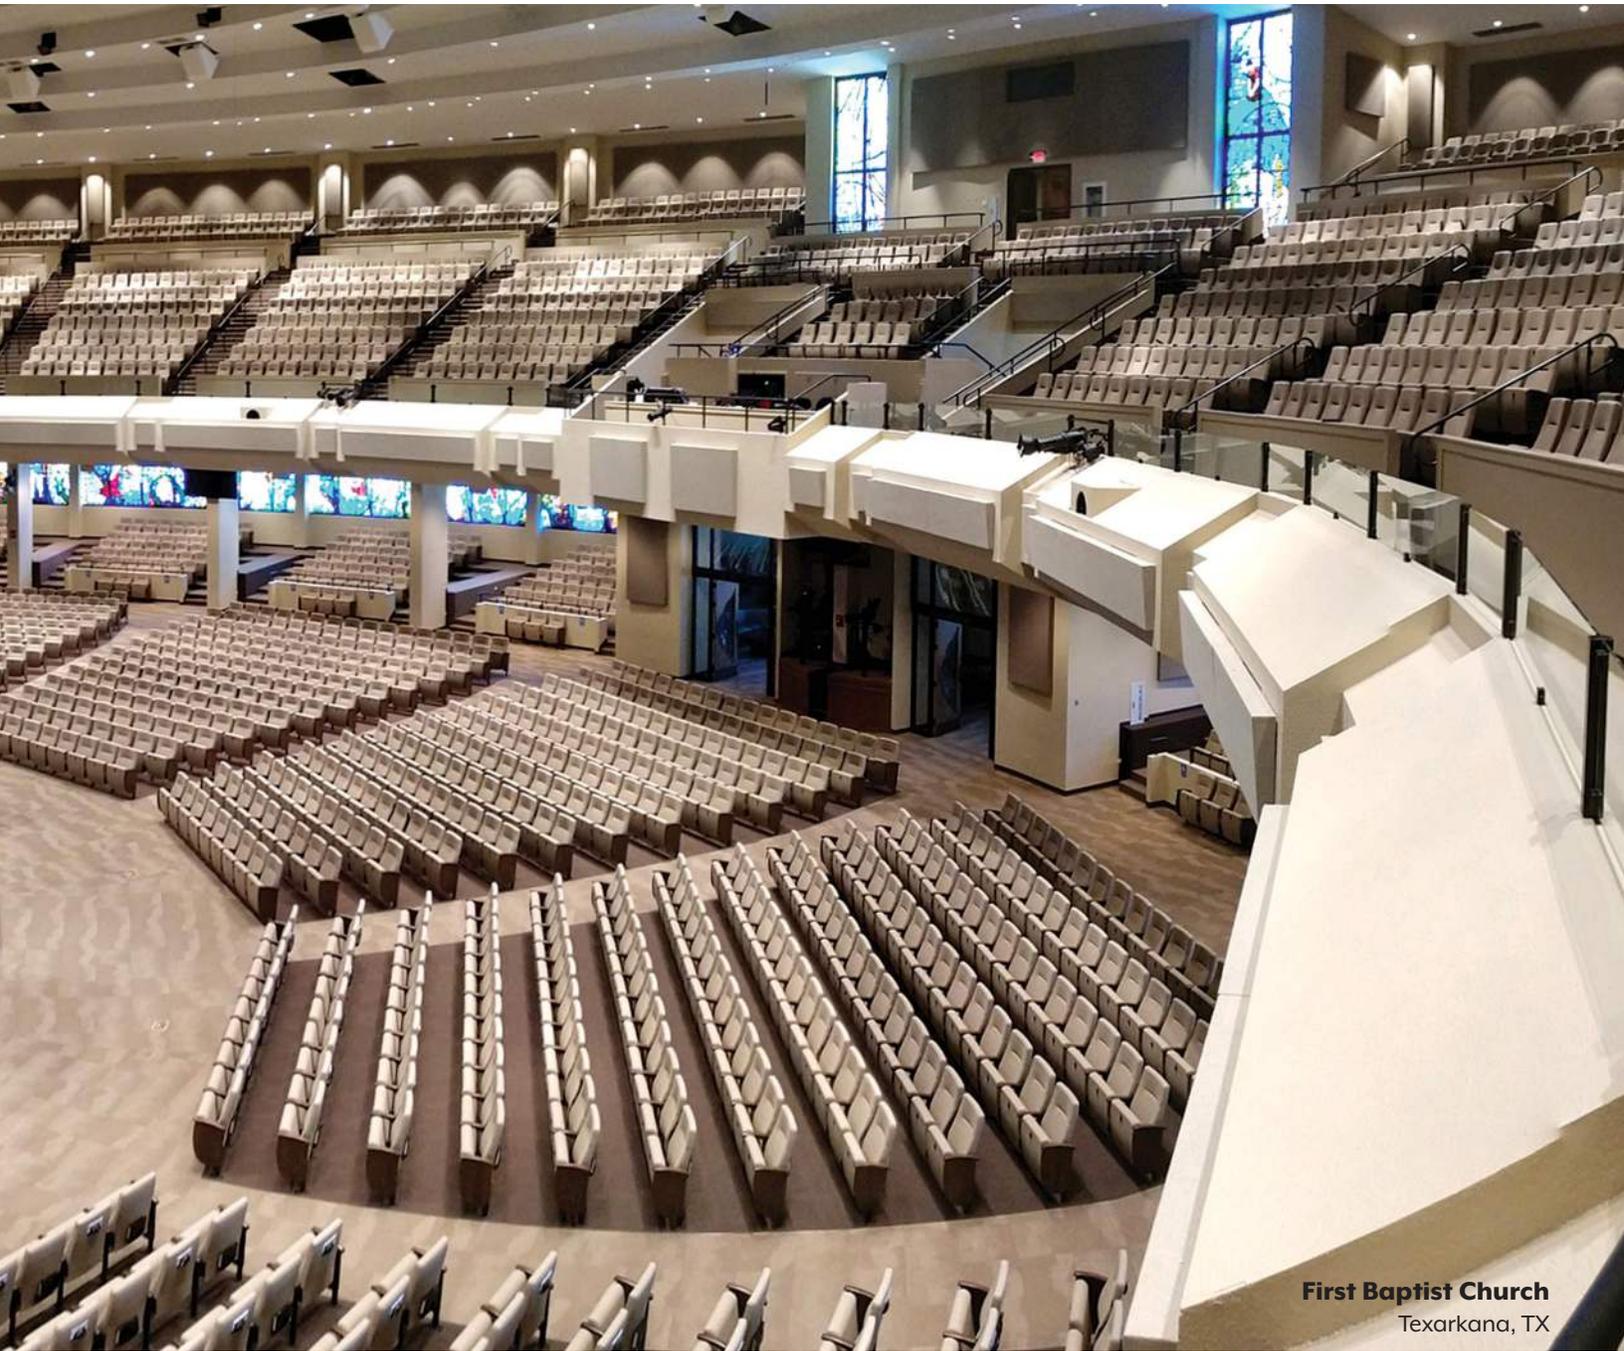

Contoured shape, lumbar support and over 4" of foam at critical pressure points.

Slim Profile

Clarity™ and Vista have gravity lift seats that create the slimmest (18.5") profile in the up position. This allows for more standing and walking space without compromising comfort.

Row Identification

Aisle Lighting

- **Floor Mount Pitch Options**

Standards available in 0°, 2.5° and 5°.

- **High Back**

With balcony installation, it increases code compliance and allows for seating modesty on taller risers.

- **Offset Standard**

Aisle carpet reaches under the end panel creating a custom look.

- **Riser Mount Standards**

Allows for greater installation flexibility, is easier to clean with a neat, uncluttered look below the seat.

- **2 and 3 Seat Removable Units**

Can be taken out for special events or for handicap seating.

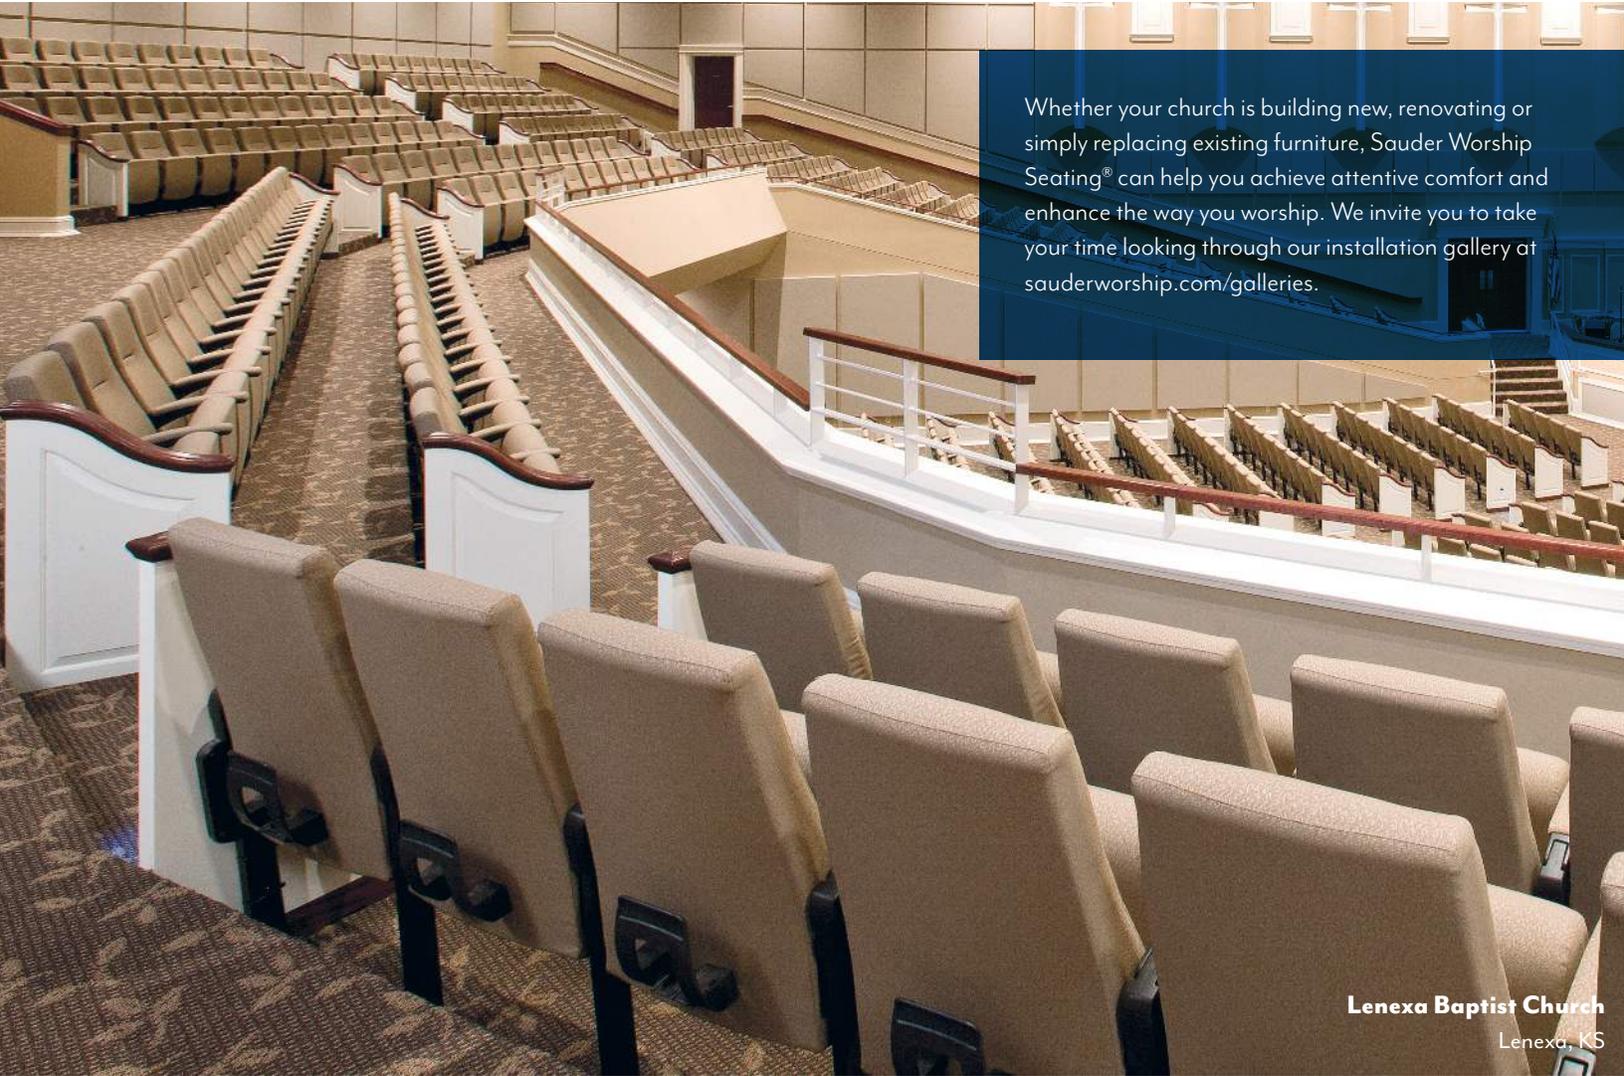

- **Wide Seat and Back Options**

Allows for desired seating space to accommodate every guest.

- **Wood Options**

Available in Northern Red Oak (Rift or Standard), White Oak (Rift or Standard), Cherry, Black Walnut, Maple, African Mahogany and European Beech finishes. Custom color matches.
