FIRST BAPTIST

Muskogee, OK

Quality and craftsmanship form the cornerstone of everything we do at Sauder Worship Seating®.

Established over 85 years ago by carpenter Erie Sauder, who found his calling building quality, solid wood furniture. Mr. Sauder's first church furniture project, dating back to 1934, is still an integral part of the worship services of Bethlehem Lutheran Church today.

Staying at the forefront of changing church trends, in 1971 Sauder Worship Seating pioneered the use of chairs in worship spaces – showcasing new possibilities for flexible seating. Later, in response to many congregations having different seating needs, Sauder Worship Seating designed auditorium seating specifically for the Worship market.
