PLYFOLD

PlyFold 7028204

PlyFold 7028201

PlyFold 7023201

PlyFold chairs are the ideal wood folding chair for comfort, stability and durability. This plybent hardwood design, combined with mortise-and-tenon joint construction offer flexible seating for worship space, meeting rooms or when needing additional seating.

This patented design offers a unique safety feature over standard folding chairs. PlyFold chairs do not fold unless lifted up, eliminating the possibility of the chair folding or collapsing while a child is sitting.
