furniture for the way you worship

BETHLEHEM LUTHERAN

Defiance, OH

Quality and craftsmanship form the cornerstone of everything we do at Sauder Worship Seating®. Established over 85 years ago by carpenter Erie Sauder, who found his calling building quality, solid wood furniture. Mr. Sauder's first church furniture project, dating back to 1934, is still an integral part of the worship services of Bethlehem Lutheran Church. To this day, the enduring beauty and stunning handcrafted furnishings exemplify the standards he established and we continue to uphold more than 8 decades later.

Today, we continue Erie Sauder's legacy of serving by furnishing over 35,000 congregations throughout North America. We sincerely appreciate the opportunity to be part of your endeavor.

SAINT FRANCIS OF ASSISI Triangle, VA

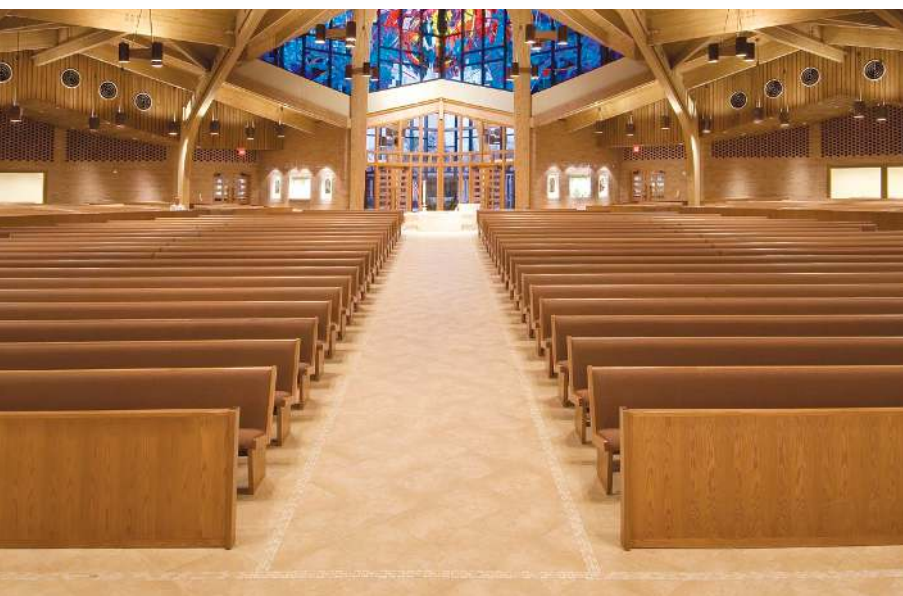

Radiance™ Curved Pews

- Create a warm and welcoming worship space with Radiance Curved Pews. Every detail is handcrafted to highlight the natural beauty of the wood, from the exceptional quality finish to the flowing contours and curves.
- Radiance Curved Pews are an ideal solution for any worship space, as each pew is created specifically for your space and customized to your floor plan. Designed with concentric radii, pews radiate from a central point. The seating is a stunning feature accenting building architecture, while also serving your church.
- Inspired by Nature, Crafted with Experience. During the last decade, many churches have designed seating centrally, around the platform. Often referred to as “Worship-in-the-Round”, congregants are seated closer to the speaker in an effort to build stronger engagement during the service. Churches who adapt the intimate layout experience a heightened sense of unity when worshipping together.

SAINT LAURENCE CATHOLIC

Sugar Land, TX
