Y= yes N = no Stacking models stack 3 high.

A PEW-LIKE APPEARANCE

Unity® Seating has the appearance of a pew from the back when ganged together using interlocking clips. The straight lines present an unbroken flow, while also allowing for freedom of movement and optional placement.

Unity gives you the flexibility to change your seating easily to meet the various needs of your worship space.

ACCESSORIES AND OPTIONS

DID YOU KNOW? Most Sauder Worship chairs have replaceable seat and back pads. This extends the life of the chairs. Reupholstering is often an easy, affordable, and an environmentally responsible option.

All non-stacking models are available with arms
Under seat book rack shown
