

## Cornerstone Church | San Antonio, Texas

### A Legacy of Faith and Global Outreach

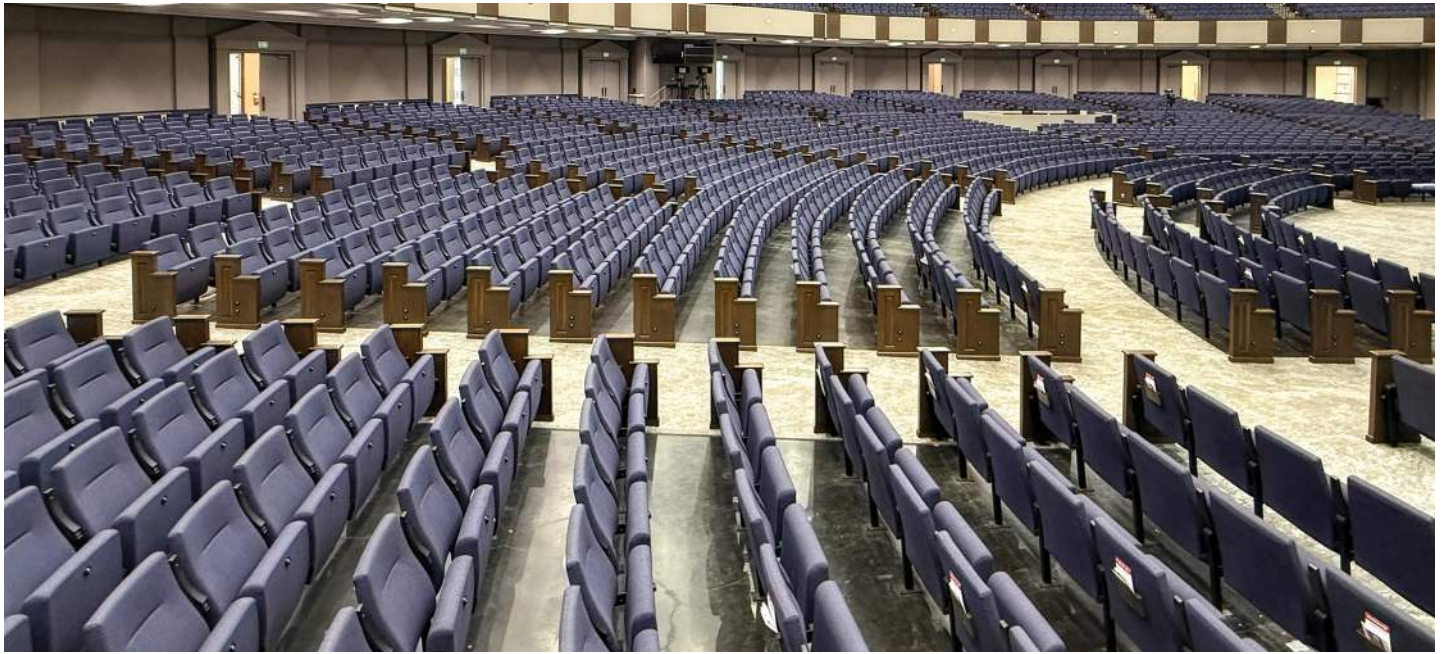

Cornerstone Church is a prominent San Antonio landmark and home to a global ministry reaching millions. Built in 1987 to accommodate more than five thousand worshippers, the sanctuary featured traditional pews for nearly 40 years. To better reflect contemporary worship styles and expectations, leadership recently initiated a modern update to this iconic space.

### Bridging Tradition and Innovation

The challenge was to navigate the transition from pews to auditorium seating—providing state-of-the-art comfort while preserving the traditional aesthetic favored by many. Working with FGM Architects (formerly Jackson Galloway), **Sauder Worship Seating** provided the layout and design expertise needed to honor the sanctuary's history while embracing its future.

### The Solution

The answer was found in the seamless integration of **Sauder Worship Seating's Clarity® auditorium seating** paired with traditional wood pew ends as aisle panels. This combination maintains the beauty of classic craftsmanship while providing high-tech ergonomics for superior individual comfort. The resulting world-class environment honors the church's heritage while beautifully serving the needs of its large, multi-generational congregation.

## About Sauder Worship Seating®

Sauder Worship Seating, a brand of Sauder Manufacturing Co., began in 1934 in Northwest Ohio with small, custom orders for worship seating. The company's reputation for handcrafted, top quality work became its springboard for expansion as increasing needs and changing church trends prompted the Sauder family to introduce new seating solutions and worship accessories. Today, Sauder Worship Seating blends skilled craftsmen, modern technology, and quality materials to create some of the world's best worship furniture. More information about Sauder Worship Seating may be found online at [sauderworship.com](https://sauderworship.com).
